Descriptif de l'éditeur

TetriBox is a pack of 18 different tetris-like games, with different blocks, grids, strategies and logic. This is a real tetris jukebox! TetriBox is compatible with COLOR devices working under Windows CE operating system version 3.0 or later, and PocketPC devices. Some of the games are the all-time classics, some are completely new and untasted. Get a whole score of games, a dollar apiece! All your best results are submitted to the server and take part in the World-wide contest.

The 7 days' trial period is free. In the registered game:

- three skill levels of different difficulty, even kids can have fun;
- 18 different games for every imaginable taste;
