Descriptif de l'éditeur

Tired of those annoying popups ruining your surfing experience?

Download and install in second freeware Pop Stop popup blocker from BestToolbars.net.

It is small (only 73KB). Is not advertising supported, nor does it require registration, and no information is collected from or about product users. Pop Stop is easiest to use. And is completely Free.

Complete with full Install and Uninstall, and a complete setup wizard and online help file, and free tech support. No complicated configurations.

And as you are reading this and obviously interested in pop-up blocker you are noticing how it will help you in surfing if I download Pop Stop from Besttoolbars.net.

Pop stop can block 100% annoying pop-up and pop-under ads automatically while never interfere with opening new windows by you!

It also saves your bandwidth with popup filter - it stops a potential ad in it's tracks before it even has time to download.

Features:

- It is always there as an icon in Internet Explorer
- Easy to turn blocking on/off
- Kills unwanted pop-ups but allows new window links that you click.
- Easy to use - install it and forget it!
- Small 73k download.
- It disables javascript from accessing blocked pop-up window.

System requirements:

- Windows 95, Windows 98, Windows 2000, Windows XP
- IE v 5.01 and above.
